

CHARGED WITH HIDING GOODS

Another Development in the Harold Failure Case.

AN INSANE MAN GOES A-GUNNING

And Creates Considerable Apprehension in Rock Creek Precinct—More Insurance Reports—District Court Cases—Lincoln News.

[FROM THE BEE'S LINCOLN BUREAU.]

New developments were made yesterday in the case of the arrest of Christian G. Harold mentioned a few days ago to the complaint being for secreting goods at the time of his failure and previous to his term in the penitentiary. His arrest a few days ago on this charge by Frank West, agent for the Harolds, was followed yesterday by the bringing to this city of William and Herman Harold, two brothers, of Plattsmouth, who are charged with a like offense, together with Mrs. C. G. Harold and a young lady, a niece, both of the latter residents of this city. For the prosecution of the charges preferred by Mr. West, Messrs. Stearns and Phillips appeared yesterday as attorneys and Mr. Hartigan, of Plattsmouth, appeared for the Harolds. Hearings were postponed until the 30th and the individual bail of each was fixed at \$500. John Fitzgerald signing the bond and William and Herman Harold returning home in the afternoon. The Harolds claim the entire case is trumped up, while the other side say nothing, apparently willing to rest their case on the developments they have prepared.

INSANE AND ON THE WARPATH. Yesterday morning Sheriff Melick received a letter from Justice of the Peace J. H. Wilcox, of Rock Creek precinct, stating that a man named Ned Peters was roaming around that section of the country on horseback and armed with a shotgun, threatening to shoot people on sight. The sheriff at once dispatched a deputy with a warrant for the man's arrest, and as all evidence obtained pointed to his insanity, the insane board were summoned to examine him as to his mental condition when he should arrive in the city. It is ascertained that Peters has been an inmate of the asylum for four years, being sent up from Cass county. About a year ago he was released as cured, since which time he has remained in this county and has worked a portion of the time as a farm hand.

In the report of companies thus far received by the auditor the last named company, the Farmers and Merchants, makes a showing of the largest amount of business done, and the record shows that the business of the year has been very profitable. The Phoenix, of Brooklyn, stands second in the list for amount of business transacted.

The Manufacturers and Builders' Insurance company, of New York, has made application to transact business in Nebraska.

DISTRICT COURT CASES. The county attorney has filed peace warrants in the Herpolsheimer-Post cases. In these cases the parties each make affidavit against the other setting forth that they have just cause to fear that the other will do bodily injury either to themselves or members of their families. Herpolsheimer's bond to keep the peace is for \$500 and John Post's for \$400. The trouble arose over the possession of a house.

Marshals Herpolsheimer has been sued in the district court of this county by John F. Miller, who claims that he was wrongfully and forcibly deprived of a stock of goods in November, 1886. He asks judgment for \$1,063.

A breach of contract case that had a hearing in the lower court has been appealed to the district court, the case being brought by Poor & Fuller, real estate agents, against W. A. Doggett, a sewing machine agent of this city. One divorce case was added to the list yesterday for the coming term of court, entitled West vs. West, and reciting the usual domestic troubles.

THE FIRST ORDER. Adjutant General Cole issued yesterday the first order of the new year as follows: HEADQUARTERS NEBRASKA NATIONAL GUARDS, LINCOLN, Jan. 20, Special Order No. 1. Captain H. A. Jordan, of Company F, First regiment, having tendered his resignation and the same having been approved by the colonel of said regiment, hereby honorably discharged from the service.

A WEDDING IN JOURNALISM. On Wednesday evening of this week Miss Jennie A. Hyde, the accomplished daughter of Colonel T. H. Hyde, of the Lincoln Daily News, was united in marriage to Mr. J. W. Jordan, who occupies a responsible position with the State Journal. The wedding was a very pleasant affair occurring at the home of the bride's parents in the presence of the relatives and intimate friends of the contracting parties. The bride, who is greatly esteemed for her many excellent qualities and graces, was attended at the ceremony by her younger sister, Miss Nellie A. Hyde. The Rev. H. T. Davis officiated. A pleasant cottage already prepared for their reception will be the home of Mr. and Mrs. Jordan, and they take it a large number of handsome and valuable presents received from their friends.

STATE HOUSE BRIEFS. G. W. Carpenter, of Rolo, Richardson county, has filed a complaint with the board of transportation against the Chicago, Burlington & Quincy railroad, alleging that the road has been built through the city, made deep cuts and high embankments that crossed the public streets of the place, and that since making these cuts and grades the road has wholly neglected to repair crossings over the streets at such places in condition for use. The complaint further alleges that the company has moved its depot building into the street, where it seriously interferes with the traffic and trade of the city. The board has fixed upon January 30 as answer day

to this complaint and so notified General Manager Holdrege.

Adjutant General Cole has received a communication setting forth that General Morrow and Hatch, of the regular army, are arranging for a summer encampment of the regular army at some point on the Loup river during the coming summer. The date for the camp has not been agreed upon but the information is given that there will be at least twenty-eight companies of regulars in attendance. A cordial invitation is extended, through Adjutant General Cole, to the state militia to join in the encampment and pitch their tents with the regulars.
